

Pembroke & Area AIRPORT

We make it possible.

We make it *possible* to:
save a life, fight a forest fire, find a missing child,
train soldiers and send children to school.
We make it *possible* for business to locate here,
and for people to travel here.

Welcome to a community of possibilities.

possibilities

300-400 flights per month.
Operating 24 hours a day.
Certified by Transport Canada.

The Pembroke and Area Airport provides several services for visiting aircraft. These include refueling, maintenance, storage, ground transportation, catering and tourist information. The Airport is a connector between those using the facility and the rest of the community. Many large businesses and key organizations would not be able to be located here without access to a fully certified and registered airport.

Your Airport in the Community.

Supports Ontario's Air Ambulance program, which is the largest in North America and medevac services.

Backs up helicopter transfers when helicopters cannot fly due to inclement weather conditions.

Assists with supporting Ontario Ministry of Natural Resources fire fighting of 1,200 to 1,600 fires per year.

Provides aerial support for resource management of wildlife, fish, forest fires, floods, low water, dam failures and more.

Critical in supporting RCMP and OPP aerial policing activities including search and rescue, surveillance, emergency response and drug enforcement.

Contributes to tourism opportunities that allow Ontario to be the most visited province in Canada.

Hours of Operation

Monday to Friday: 7:00am - 5:00pm

Saturday, Sunday and Holidays: 9:00am - 5:00pm

Staff on call 24 hours a day.
